SYNOPSIS

The film takes a serious look at the misuse of technology. it also attempts to demolish the conventional notion that sexuality and voyeurism are essentially two sides of the same coin. it is a stark reminder of the age where the hidden cameras intrude into human privacy with alarming frequency.

PPODUCER'S PROFILE

Thundupadam Produced by PACE TRUST

PACE (Platform for Arts and Cultural Excellence) started functioning in 2004. Four short films and a feature length film have been produced. The short films Varoo, Planning, Randu and Thattumporathappan have been exhibited throughout Kerala. PACE has participated 40 film festivals till date and has got 24 awards including kerala state TV awards 2010 and 2011 for best film and best actor. All the films were produced from the money received by way of donations from friends. PACE has organized exhibitions, workshops at school, college and club level. Activities to distribute CD/DVD to interested parties are also in progress. In order to extend its activities and to systematically organize its functions, the promoters are now formed a Trust.
